

Exciting News From Jon Karp, Jeff Lewis and Gary Wexler

It is with great pleasure that Jon Karp, Jeff Lewis and Gary Wexler announce that we will be joining the law firm of Silver & Freedman, APLC, effective March 14, 2011. You will continue to receive the same high quality legal services as you have previously enjoyed, as well as benefitting from the expertise of experienced attorneys practicing in additional areas of the law.

The goal of this transition is that it be as seamless and easy as possible, both from our perspective and that of our clients and the professionals with whom we work.

Silver & Freedman, established in 1975, is a highly-regarded law firm located in Century City (www.silverfreedman.com). One of the attractive features of the firm to us is, beyond being excellent and experienced lawyers, that they maintain the same culture of professionalism, technical expertise, practicality, collegiality and client oriented services that we demand of ourselves, at the same fee structure for our clients. Silver & Freedman is a multi-faceted firm, with substantial expertise serving the legal needs of their clients in these practice areas:

- Business and Tax
- Business, Corporate and Real Estate Litigation
- Employment and Labor
- Estate Planning, Probate, and Trust Administration
- Family Law
- Intellectual Property
- Income, Estate and Gift Taxation and Planning
- Mergers and Acquisitions
- Probate and Trust Disputes and Litigation
- Product Liability and Tort
- Real Estate Law
- Representation of Professional Corporation and Limited Liability Partnerships
- Succession Planning for Businesses and Families
- Tax Litigation

After many productive years practicing law at Reish & Reicher, we are thrilled to be joining another group of excellent lawyers at Silver & Freedman. We are very excited about this move and the opportunities it affords to us and our clients.
